

# FRUIT HEIGHTS CITY RIDGERUNNER NEWS

OCTOBER/NOVEMBER 2021

## THANK YOU, VOLUNTEERS!

*Fruit Heights Residents Volunteer During National Day of Service 2021*

## MORE THAN 400 FRIENDS & NEIGHBORS SERVE TOGETHER

A little rainstorm couldn't stop these volunteers! More than 400 residents, young and not as young, turned out for the National Day of Service on Saturday, September 11. This day marked the 20th anniversary of the attack on America, and since that day in 2001, Americans have marked it with a day of service to honor those who lost their lives.

Fruit Heights City extends a hearty thank you to everyone who participated. And a special thank you to the event organizers; Barry McKay and Steve Petty. Barry and Steve worked for weeks, planning every detail of the day. Big equipment was brought in. Mulch was delivered. Chainsaws were borrowed. Signs were made. They worked diligently ahead of time so volunteers could show up Saturday morning, tools in hand, and get to work. And boy, did you show up. Hundreds! What a response. Serving together, honoring the day, while also helping the community we enjoy so much.

### WE STILL NEED YOUR HELP

Fruit Heights is fortunate to have beautiful trails located throughout our city. The City depends on volunteer work from groups and individuals to help maintain these trails.

### PROJECTS COMPLETED:

## CONSTRUCTION PROJECTS

**Street/Sidewalk Assessment:** Streets and sidewalks of Fruit Heights will be inspected and assessed over the next few weeks. Residents may see workers and vehicles driving slowly through areas as the study is completed.

**Crack Sealing:** Beginning this fall, crews will be working on several city streets, filling cracks that develop in the asphalt. This process helps extend the life of roads, and prevents water, snow, and ice from getting under the asphalt and causing further damage to the road surface.

**New Pavement:** Beginning next week, UDOT will begin replacing the pavement on 650 North and Mountain Road. Beginning in two weeks, UDOT will begin paving 1350 East.

**400 North:** The interchange at 200 N./400 N. is now open. Finish work will continue through 2021, but traffic flow will be maintained. U.S. 89 will remain narrowed while the bridge at Nicholls Road is constructed.

**Nicholls Road:** Now that the 200 N./400 N. interchange is open, UDOT closed Nicholls Rd. at U.S. 89 for approximately 24 months while crews work to install a bridge over U.S. 89. Traffic on U.S. 89 will shift as crews work on the Nicholls Rd. portion of the project.

**Mill & Overlay Work:** Mill and overlay work is complete. Crews will now raise sewer manhole covers and water valves to the new level. Residents should continue to watch for workers and cones in the area.

## INFORMATION TO NOTE

**WINTER PARKING:** Winter parking runs November 1 - April 1. No parking on streets overnight, or during snowfall.

**GREEN WASTE CAN:** Green waste service ends December 1. Green cans may then be used as a garbage can through March.

**PARK RESTROOMS:** Public restrooms will lock for the season starting the end of October or early November.

**DAYLIGHT SAVING TIME:** Turn clocks back 1 hour Sunday, Nov. 7, 2021.
